GALEON YACHTS

425 HTS

The 425 HTS joins the cruiser lineup of the Four Generation Gale on models and further improves on the already amazing performance of the sporty 485 series it was based on. The hardtop offers - a distinguishable, sporty exterior matched by its quality interior. The sleek lines and an exceptional profile make it easy to forget the yacht's true nature where functionality and comfort will always take precedence. Features like wide side decks for easy bow access in all weather conditions, a garage for an inflatable tender or a gangway option for safe marina access are sure to impress future owners.
