690 DAY CRUISER

Parker present a brand new model for 2016: the Parker 690 Day Cruiser. With a spacious interior and excellent performance on the water, this boat is designed to fill the gap between the Parker 630DC and the Parker 750DC.

The Parker 690 Day Cruiser boat has an open steering console, giving it an elegant and sporty feel – as befits a day cruiser which also serves as a weekender.
