640 FLY

The 640 FLY builds on the ground-breaking success of the 500 series to bring even more innovations to the flybridge luxury yacht segment. This transformer model will follow a new design path to allow for bigger volume and better space distribution, all while maintaining the great exterior appearance Galeon models are known for.

The 640 FLY is a game changer, once again offering solutions never before seen in this class. This transformer yacht is revolutionizing the segment with its innovative approach to layout and space distribution.
