510 SKY

The SKYDECK model is a natural evolution of the award-winning 500 FLY. Sharing the hull design and all the great features that made the 500 so popular, it manages to improve upon it with its innovative top deck features.

The Skydeck integrates the unique ideas that made the 500 FLY so special and introduces a power sunroof and a top deck that can be closed off with a touch of a button, all while showcasing an even more striking design.
