CLX 99

CLX99 is here to lead the way when it comes to luxury adventures on the water.

From the creative mind of Milan-based designer Jozeph Forakis, this outstanding superyacht combines the CLX-Series' 'workboat-chic' essence with bold, functional design and contemporary comforts. Alongside our technical excellence, you can expect more generous interiors, expanded versatility outside, and a host of winning features appealing to owners, guests, and crew.

Beach Club

Experience the ultimate in luxury with our expansive water-level platform. Featuring drop-down bulwarks, it transforms into spacious sea terraces on both sides, offering unparalleled access to the water and creating a perfect spot for relaxation and enjoyment.

and Foredeck

Sky Lounge

Salon and Galley

Dining

Throughout, the layout, flow, and accommodation have been luxuriously considered, making CLX99 a great fit for charter. The semi-enclosed galley is directly forward of the main deck salon and features a service bar and separate crew access, while the forward dining area offers spectacular panoramic views in shaded comfort. With the optional main deck owner's suite, accommodation is boosted up to 12 guests, looked after by up to five crew.
